Freezing Gourmets

-Great British Baking Show? Cut it out!

-Do I hear sarcasm? They’re far from bad with sweets

-It’s the horrible cold! Shovel in the fat and sugar calories!
But their “cuisine,” high or low, ‘d gag a maggot!

-Once maybe your appraisal held. But there’s great food in the Isles nowadays.

-Oh yeah? Suet Boats supported by rivers of gray grease as an example?

-You had a bad special at a filthy pub way back when?

-Not as memorable as mushed color-drained veggies gluing clots of mystery meat! That National Special
won’t die!

-Maybe…just stick to the Ploughman’s Lunch?

-How many of them did IT kill off?

-That and John Deere.
